Every three months, we listen to your concerns and look at recent crime statistics to shape the things we will concentrate on for the next three months. Our priority(s) for the next quarter is:

Vehicle Anti-social Behaviour

WHAT'S BEEN HAPPENING

Op Snap is an online portal where you can upload footage of suspected driving offences. Every single submission is viewed and where the footage shows a traffic offence, action is taken. You can report driving offences such as:

- Dangerous driving
- Driving without due care and attention
- Careless driving
- Not wearing a seatbelt
- Failing to stop at a red traffic light
- Crossing solid white lines
- Offences where a driver is clearly not in proper control of a vehicle
